Michael F. LoFrumento Joins EAC Network's Board of Directors

October X, 2019 - GARDEN CITY, NY - Garden City-based matrimonial attorney Michael F. LoFrumento has joined EAC Network's Board of Directors. A founding partner of Barnes Catterson LoFrumento & Barnes, LoFrumento has a history of involvement with the Hempstead-based human service agency, which recently honored the tenacious litigator at its 30th Annual Golf for Good earlier this year for his dedication to the community at large.

LoFrumento has forged a career dedicated to successfully navigating his matrimonial clients through the difficult, and often traumatic, waters of divorce. His professional accomplishments have not gone unnoticed, as he was recognized as a Super Lawyer among multiple additional accolades.

"We are incredibly fortunate to have LoFrumento join our Board," said Lance W. Elder, President & CEO of EAC Network. "His work in matrimonial law shares many connections to several of our family-focused programs, and his goal to resolve cases without the need for a judge to intervene is an approach not dissimilar to that of our Long Island Dispute Resolution Centers. With him now on our Board, his expertise in these areas can more directly help guide and develop related programs."
